

KENNESAW STATE UNIVERSITY

Following guidance from the University System of Georgia, Kennesaw State will provide a refund of \$234 to students who have paid mandatory fees for campus services that will be discontinued for the remainder of the semester. Please log into [Owl Express](#) to verify fees you have paid this semester.

Additionally, students required to move out of residence halls and/or students who will no longer have access to dining services, will be provided a pro-rata refund of the remaining balance. Also note that the mandatory parking fee is being returned to all students who paid the fee, but any remaining balances for students with individual parking permits will be deposited directly into their student accounts.

The refund amounts will be equal to the funds that would represent the remaining 50 days of the spring semester.

Refunds will be posted to student accounts by March 27. The funds will be transferred via the current student refund process. Please visit the [Talon One Service Center](#) for information regarding the refund process. If you have further questions, please feel free to contact the Office of the Bursar at bursars@kennesaw.edu.

Thank you for your patience as we work through the many challenges that the University is addressing related to COVID-19. We deeply appreciate your commitment to Kennesaw State University.
